ROSEWOOD MUNICH INTRODUCES A NEW ERA OF LUXURY AND SOPHISTICATION IN THE HEART OF MUNICH

The eagerly awaited hotel, which will be opening its doors on 29 September 2023, is now accepting reservations. It is a blend of historic architecture and state-of-the-art design and offers experiences that will never be forgotten.

ROSEWOOD MUNICH is now accepting reservations for stays from 29 September 2023. An elegant hotel for those seeking the ultimate in luxury is currently under construction in Munich's historic city center. It is the Rosewood Hotels & Resorts collection's first hotel in Germany, the seventh in Europe and the 31st hotel worldwide.

ROSEWOOD MUNICH is located on Kardinal-Faulhaber-Strasse in the heart of Bavaria's capital and is housed in two historic buildings: the former headquarters of the Bayerische Staatsbank and the adjacent Palais Neuhaus-Preysing, a former residence for Munich's aristocracy. Designed with a fine eye for detail, the hotel has 73 spacious rooms and 59 suites, including five special "Houses", with beautifully appointed interiors and exclusive amenities.

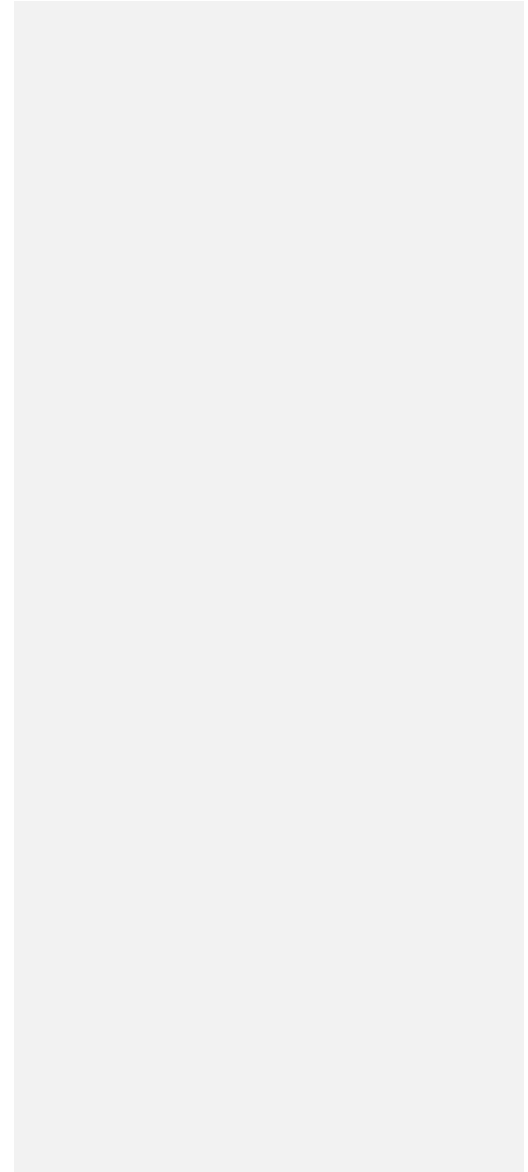

The brasserie CUVILLIÉS and the BAR MONTEZ offer a variety of culinary and mixology delights. The ASAYA SPA offers another very special experience with six treatment rooms, an indoor pool and a fitness center. Consultations, spa treatments and workshops pursue a holistic approach to wellness and ensure that both guests and members can relax and unwind and restore balance to mind, body and soul.

*" We look forward to welcoming our guests to Rosewood
Munich this fall, "*
says Managing Director Roland Dürr.

*" The two magnificent buildings in the city center offer the perfect setting in
which to implement Rosewood's A Sense of Place philosophy.
We want to make a valuable contribution to the rich culture and hospitality*

*that this beautiful city has to offer and create memories that our guests from
near and far will never forget . "*

HISTORICAL SPLENDOR MEETS MODERN LUXURY

THE MUNICH ARCHITECTURE FIRM HILMER SATTLER AND THE LONDON INTERIOR ARCHITECTURE AND DESIGN FIRM TARA BERNERD & PARTNERS worked closely together to bring the spirit of Rosewood to the Bavarian metropolis.

They made it their mission to combine the historical past of the baroque and rococo style buildings with modernity and elegance. The two buildings and the inner courtyard were carefully restored, preserving the facades and structural elements such as the lobby and the historic stairway. The hotel lobby will welcome future guests under magnificent vaulted ceilings and frescoes.

TARA BERNERD & PARTNERS

combines high-quality materials like velvet, tweed and leather to construct an interior that embodies unassuming luxury and simple elegance. They create a contrast between the gray marble and wooden elements of the Palais.

" Rosewood Munich is our first project with Rosewood Hotels & Resorts and marks an important milestone for us. Our aim was to combine a sophisticated design concept with a contemporary interpretation of baroque architecture," says Tara Bernerd, founder of Tara Bernerd & Partners.

" The hotel will create a very special place where Munich residents and international guests can meet and experience this multifaceted and urbane city together. "

A SENSE OF TASTE – CULINARY EXPERIENCES

CUVILLIÉS

An epicurean journey unfolds at the hotel's Alpine-inspired brasserie, CUVILLIÉS, where tradition and modernity merge. The restaurant is open seven days a week and invites its guests to come in and enjoy a relaxed breakfast, a light lunch or a casually elegant dinner. Classic Alpine dishes, which have their roots in Bavaria's rich culinary heritage and the cuisine of neighboring Austria and Italy, are given a modern twist, bringing something truly unique and exciting to Munich's food scene. Emphasis is placed on offering dishes that highlight seasonal produce sourced from local vendors.

BAR MONTEZ

Named after the Munich artist Lola Montez, the well-stocked BAR MONTEZ offers a selection of finely-crafted cocktails, fine wines and exceptional spirits. A musical highlight is a diverse program of live performances by different artists.

MEETING ROOMS AND EVENT SPACES

With over 600 square meters of indoor meeting space, ROSEWOOD MUNICH can host any event – be it a corporate meeting, lifestyle event or private party. The hotel offers six event spaces, including a contemporary ballroom (234 square meters), an historic ballroom (123 square meters) and four flexible meeting rooms. All the rooms boast state-of-the-art technology.
